SCHEDULE G-8

INSTRUCTIONS - LARGE COOLING TOWERS

Note: If any information pre-printed on this form is incorrect, please make the needed corrections.
For any information not already pre-printed on this form, please follow the directions below.

Enter facility name, owner name, contact person name, contact address and phone number if not already shown.

PART 1 - COOLING TOWERS

Indicate in part A, the quantity of replacement (make-up) water and blowdown on a monthly basis for 2010. Indicate in part B, the total dissolved solids, in milligrams per liter (mg/l) of replacement and blowdown water on a monthly basis for 2010.

PART 2 - OTHER WATER USES

Please provide the metered quantity of water from any source, including effluent, used for industrial process water, landscape watering, process cleaning water or other. Please specify other purposes. Enter quantity in acre-feet.

PART 3 - WASTE WATER

Provide the estimated quantities of wastewater generated and recycled during 2010. Enter quantity in acre-feet.

*** Water use records should be maintained for a minimum of three (3) years.
